Filigree and striking at the same time - pendant luminaire COBAIN. Mounted in the living room above the coffee table or in the kitchen above the dining table, the lamp conjures up great light moments. Through the recesses in the shade, a dreamlike play of light and shadow is created, creating a cosy atmosphere. Designed in matt black, the luminaire sets a great contrast in bright rooms and creates a modern environment. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
