

# Sapphire Technology Graphic card Radeon RX 7900 XT Pulse 20GB GDDR6 320bit 2DP/2HDMI

## Basic information

**Producer:** SAPPHERE TECHNOLOGY  
**AB Code:** KGSAPA709677001  
**Vendor Code:** 11323-02-20G  
**EAN Code:** 4895106293304  
**Guarantee:** 3 years

## Parameters

|                                 |                         |
|---------------------------------|-------------------------|
| <b>Model:</b>                   | Radeon RX 7900 XT       |
| <b>Graphics card connector:</b> | PCI-E 16x ver. 4.0      |
| <b>Chipset manufacturer :</b>   | AMD                     |
| <b>Chipset:</b>                 | Radeon RX 7900 XT       |
| <b>Memory type :</b>            | DDR6                    |
| <b>Memory bus:</b>              | 320-bit                 |
| <b>VRAM memory size:</b>        | 20 GB                   |
| <b>Core frequency:</b>          | 2075 MHz                |
| <b>Core Boost frequency:</b>    | 2450 MHz                |
| <b>Memory frequency:</b>        | 20 Gbps                 |
| <b>Video ports:</b>             | 2 x HDMI                |
| <b>Video ports:</b>             | 2 x DisplayPort         |
| <b>Cooling :</b>                | Active                  |
| <b>Supported standards:</b>     | DirectX 12 Ultimate     |
| <b>Other features:</b>          |                         |
| <b>Accessories included:</b>    |                         |
| <b>Dimensions:</b>              | 52,67 x 133,75 x 313 mm |
| <b>Version:</b>                 | Box                     |
| <b>Other information :</b>      |                         |
