

LXU413

LTC VISION Outdoor Camera with Battery 9600mAh

IP65 Wifi 2,4G 2Mpix 30fps 185° PIR 10m. USB 5V [App Tuya/iOS/ANDROID]

DESCRIPTION

The LTC VISION outdoor camera offers an innovative solution for monitoring the external surroundings with excellent image quality. This advanced camera features functions that ensure both safety and convenience.

High Image Resolution 2Mpix 30fps:

The camera provides sharp and clear images at a resolution of 2 megapixels, allowing for precise monitoring of the surroundings.

Efficient 2.4G Wifi Connection:

With 2.4G Wifi connectivity, the camera offers stable and fast connection to the network, enabling seamless real-time image transmission.

Weather Resistance (IP65):

The camera's construction is weather-resistant, allowing for safe outdoor use even in challenging weather conditions.

Intuitive Tuya Application:

Utilizing the dedicated Tuya application makes using the camera simple and convenient. Users can remotely monitor the image, receive real-time notifications, and adjust camera settings directly from their smartphones.

Easy Installation:

The camera's straightforward mounting allows for quick and hassle-free installation outdoors, ensuring stable and durable attachment.

SPECIFICATION

Brand	LTC
Model	U413
Resolution	1920 x 1080 / 640 x 480
Recording Angle	120°
IR LED Diode	8 x 850 mm
WIFI	IEEE 802.11 b/g/n
Audio	Two-way communication, noise reduction
Memory Type	MicroSD card
Supported Mass Storage	8 / 16 / 32 GB
Power Supply	21700 (9600mAh)
Device Activation Methods	Motion detection, remote wake-up
Power Consumption	Standby 20 uA, operation 170 mA
Charging Indicator	The indicator lights up when the device is charging and turns off when it's fully charged.
Device Dimensions	95 x 55 x 58 mm
Packaging Dimensions	170 x 95 x 80 mm
Net Weight	270 g
Gross Weight	500 g
