The Einhell TE-AV 18/15 Li C-Solo Cordless Ash Vacuum Cleaner keeps wood stoves and barbecues clean – completely wire-free as part of the Power X-Change family. Its pleated filter system reliably removes ash and fine dust. The suction power of up to 100 mbar can be restored at the press of a button using the filter cleaning system. By connecting the hose to the air outlet, the blower function can be activated. The 15-litre collection container is easy to empty, while the metal-reinforced suction hose and aluminium crevice nozzle ensure long-lasting use. Four castors and a carry handle provide mobility.
