

Ample storage space for cooling - Ideal as a second unit in the household.

VKS 8806 Refrigerator (white)

UMP/UMP: 289,00 €

The USP at a glance:

- Good for the environment and your wallet thanks to energy efficiency class E with only 90 kWh/year.
- Fresh for a long time: The Veggibox creates perfect conditions for fruits and vegetables, keeping them fresh for longer.
- Bright, durable and energy-saving: LED lighting included.
- Plenty of storage space thanks to 133 liters of usable capacity

Detail images and texts

Good for the environment and your wallet: this freezer-cooler combination not only looks good, but also consumes less energy. So you save not only your household budget, but also the environment.

Long freshness for fruits and vegetables: The Veggibox creates perfect conditions for fruits and vegetables with high humidity (90%) and temperatures around 5°C.

Interchangeable door hinge: This refrigerator fits perfectly into any kitchen. Thanks to interchangeable door hinge, you determine on which side the door opens.

Bright, durable and energy-saving: LED light in your refrigerator provides the best overview paired with low power consumption. A perfect combination.

Great design: attractive metal handle for easy opening of the product.
