

Wall lamp

ROD – R21532080

excl. 2x E14 · max. 40W

Features:

- FLEXconnect ready
- IP20
- Lamp(s) not included
- Up and Down lighting

The two-light ROD wall light is the perfect choice. The cool statement light in elegant and filigree metal can be easily integrated into any interior and emphasises selected areas in the bedroom or living area thanks to the up and down lighting. The interplay of light and shadow created by the unusual design exudes a sense of nonchalance and lightness with a feel-good character. The filigree-puristic design in black and gold will be an eye-catcher with a cool factor in your home. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
