

GEARGRINT S1 MF SRC low Kurpes

02010574

NORMATĪVI

EN ISO 20345:2011 (S1 SRC)

Personal protective equipment - Safety footwear

APRAKSTS

• lightweight safety half-shoe in a modern, sporty design • the upper is made of breathable textile • the oil-resistant, non-slip sole is made of dual-density polyurethane and ensures maximum safety with every step • in addition, the shoe is equipped with a comfortable insole, which guarantees comfort during walking • energy absorption in the heel area absorbs shock and reduces the feeling of foot fatigue • thanks to the lightweight, modern safety toe cap made of fibreglass, the shoe meets the requirements of EN ISO 20345: 2011 • the feet are protected against compression forces of up to 15 kN or dropping loads of up to 20 kg from a height of 1 m • the shoes do not contain metal components and are therefore ideal for indoors or for areas equipped with a safety frame • thanks to the modern materials used in the production of this model, the total weight of the shoes does not exceed 495 g (half pair size 42) • the minimalist design and modern colours will go well with most Cerva workwear collections
