

TRISTAN-2 Pink

DESCRIPTION

Introducing the ultimate gaming mouse for serious players. With a sleek design, durable powder-coated finish, and a lifespan of 10 million clicks, this mouse is built to last. The advanced chipset delivers up to 12,800 DPI for precise movements, and customizable RGB lighting enhances your gameplay. Lightweight and ergonomic, with a 1.8-meter Paracord cable, it's comfortable for long sessions. Compatible with Windows and Mac OS, this mouse offers the precision, speed, and comfort needed to dominate the competition.

KEY FEATURES

- The Paracord cable is lightweight, flexible, and durable, ensuring minimal drag and maximum performance during intense gaming sessions.
- 7D buttons provide enhanced control with seven customizable functions, offering a versatile and precise experience for gaming and productivity.
- Offers customizable lighting with 16.8 million colors, enhancing the gaming experience with vibrant and dynamic effects.
