

FALCON White/Grey - Wireless

DESCRIPTION

Unleash your inner champion with the White Shark Falcon wireless gaming headphones. Experience crystal-clear audio (20Hz-20kHz) that brings every in-game detail to life, powered by 40mm drivers. Communicate with your team seamlessly with the omnidirectional microphone and noise cancellation that blocks out distractions. Move freely during intense battles thanks to the wireless connection and a backup 1.5m audio cable. Stay comfortable for marathon sessions with the lightweight design (175g). Compatible with PC, PS4/5, Xbox, and MAC, the White Shark Parrot is your versatile weapon for dominating any gaming world.
