A highlight in any living room! The GALE ceiling light creates atmospheric lighting effects. With its modern and unusual design, the light gives your room an individual charm that will impress. In the living room, hallway or above the dining table, no matter where, GALE provides that certain something everywhere! The luminaire also has a SWITCH dimmer, allowing the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. The ceiling light has a height of 14.5 cm and a length of 80 cm. Thanks to the matt black colour scheme, the light can be combined with many furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
