E-nr:	9411715
RSK:	8754534

Measurement

Product Width:	654 mm
Product Height:	750 mm
Product Depth:	112 mm
Product Weight:	4.09 kg

Characteristics

Functions:	Power control, Repetitive timer, Timer
Installation Type, Wall, Ceiling Etc:	Wall
Max Watt(W):	64 W
Supply Voltage (12V-400V):	230V AC
Electrical Supply Phase:	1-Phase
Insulation Class:	II (shall not be protectively grounded)
Wireless Control Option:	Bluetooth LE
Protection (Ip):	IP 44
Finish:	Polished
Material:	Plastic, Stainless steel
Plastic Material Detail:	ABS
Warranty Number Of Years:	5 years

Description/Function

Flex U has 3 arms that are 650 mm long. The towel warmer has excellent drying capabilities. The individually pivoting U-shaped arms allow towels to hang freely in the air when needed. Flex U is made of stainless steel and the effect is 64W. The towel warmer can be mounted right or left-hand. The towel warmer comes complete with Momento II bracket for concealed electrical installation placed at the bottom. The built-in Momento II timer can be controlled via the app or manually. Via the app it is also possible to set different power levels, set schedules when the towel dryer will heat and pair with Pax Norte bathroom fan. Then the towel warmer switches on automatically when the fan's humidity sensor detects an increased humidity level, for example when you start showering.
