With the KULA wall light, the bathroom is more than just a room for showering and brushing your teeth. The classic design of the light with its large, spherical glass creates a feel-good atmosphere where all the signs point to wellness in your own home. Thanks to the IP44 classification, the light is protected against splashing water and can be used in a variety of ways in the bathroom and other damp rooms. Turn your bathroom into an oasis of calm where you can enjoy your bubble bath or beauty programme in a pleasant lighting atmosphere. Thanks to its design in chrome-plated metal and white glass, the KULA luminaire can be perceived as a design element in its own right. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
