

STAY POWERED AT LIGHTNING SPEED

QM10 & LK20CL COMBO

18W

Ready To Embrace & Endure Travel Adventures

Thanks to its universal 100-240 input voltage, the QM10 is calibrated to handle a wide range of voltages. Its compact form factor is well-suited for bags and ensures an outlet fit that won't interfere with space for other chargers. The cable's L-shaped design is comfortable to hold and charge simultaneously, while its flexible ridges offer better protection from direct or indirect damage by safely bending and releasing tension from the cable wires.

Made for
iPhone | iPad

The Perfect Pair To Refuel & Go, Quickly

The QM10 delivers up to 18W of charging power via its Type-C port. Spend less time tethered to a wall by charging up to 50% in 30 minutes with quick charge support for Apple (cable included) and Android devices. The included MFi-certified Type-C to Lightning cable offers guaranteed compatibility with all Apple devices to take advantage of that speed, while its case-friendly design allows most mobile devices to be recharged without needing to remove the case.

[WALL CHARGER] [CABLE]

QM10 & LK20CL COMBO

Features

QM10 CHARGER:

- Delivers up to 18W of charging power via the USB Type-C port
- Charge up to 50% in 30 minutes with quick charge support for Apple and Android devices
- 100-240 input voltage support can safely handle a wide variety of voltages
- Compact form factor ensures maximum portability as well as an outlet fit that won't interfere with space for other chargers
- Protection : Over-Voltage Protection, Over-Current Protection, Short-Circuit Protection, Surge Protection, Flame-Retardant (UL94V0 Grade)

LK20CL CABLE:

- USB Type-C to Lightning cable with MFi certification offers guaranteed compatibility with all Apple devices
- Supports output power up to 60W (max 3A) for a rapid charging experience
- Sync and charge with high-speed data rates up to 480Mbps
- L-shaped design provides a more comfortable fit for a charge-and-play mobile gaming experience
- Flexible ridges inspired by an electric current on the L-shaped design offer better protection from direct or indirect damage by safely bending and releasing tension from the cable wires
- Case-friendly design enables it to connect to most mobile devices without needing to remove the case
- TPE material provides ultra durable strength with a bend test pass rating of 30,000 times
- Includes a strap for more convenient cable storage

Specifications

QM10 CHARGER

Total Power Output	up to 18W
Input	AC100-240V, 50/60Hz Max 0.5A
Output	Type-C: 5V=3A / 9V=2A / 12V=1.5A
Dimensions	42.6 x 41.3 x 29.0mm (US) / 78.2 x 41.3 x 29.0mm (EU)
Weight	US: 47.8g / EU: 49.8g
Material	PC (UL94V0 Grade)
Available Interface (Output / Input)	Type-C / US, EU, or UK Plug
Operating Temperature	0°C - 40°C
Warranty	1 year

LK20CL CABLE

Total Power Output	up to 60W
Input	N/A
Output	5V=2.4A / 9V=2A / 15V=2A / 20V=3A
Dimensions	100cm/3.3ft
Weight	25g
Material	TPE
Available Interface (Output / Input)	Lightning / Type-C
Operating Temperature	N/A
Warranty	1 year
