Simple shapes combined with natural materials make the SEASONS luminaire a guarantee for a pleasant living ambience. Placed above the dining table or in the living room, the luminaire creates a pleasant lighting atmosphere thanks to the fabric shade, which pleasantly emits the light to the surroundings. The material mix of black fabric shade and light wood harmonise perfectly with each other and create an inviting, cosy atmosphere. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
