

ASHIKO Black - Red switches

DESCRIPTION

The ASHIKO is a compact and mechanical keyboard that gives you a great typing/gaming experience. It has 61 keys with BLUE or RED switches that offer different feedback and sound. It also has anti-ghosting technology that supports up to 21 keys at once. It comes in black color and a USB 2.0 interface that is easy to connect. It has a 1.5-meter cable and a US layout. It weighs only 400 grams, making it portable and convenient. The keyboard has a lifetime of 20 million presses, ensuring durability and reliability. The ASHIKO also has a rainbow illumination that creates a stunning effect on the keys. You can choose from 12 different effects to suit your mood and preference.
