on **INVERTER MOTOR**

More quiet, more energy-efficient, longer fresh food

Inverter technology makes it possible! Using sensors, this appliance regulates the cooling power according to current demand, thus reducing noise and consumption. Thanks to the appliance the food stays significantly longer fresh. thanks to the constant temperatures.

Never defrost again

Targeted air circulation ensures optimum humidity regulation inside the freezer compartment - making icing a thing of the past!

Greater flexibility

An adjustable safety glass shelf offers better options for individual organization.

Long freshness for fruits and vegetables

The Veggibox creates perfect conditions for fruits and vegetables with high humidity (90%) and temperatures around 5°C.

Bright, durable and energy-saving

LED light in your refrigerator provides the best overview paired with low power consumption. A perfect combination.

Different programmes for your everyday life

"Fast-Freezing", "Holiday" or "Eco-Function" - so no unnecessary energy is consumed and the appliance adapts ideally to your needs. The cooling and freezing sections can be controlled separately - so the energy arrives exactly where it is needed.

Good for the environment and your wallet

This freezer-cooler combination not only looks good, but also consumes less energy. So you save not only your household budget, but also the environment.

The advantage with the Frenchdoor

With a large freezer drawer to open separately, less cold escapes, energy is saved and no defrosting is necessary.

Flexible storage

A second large freezer drawer offers a flexible solution for storing different foodstuffs thanks to a sliding intermediate shelf for storing different foods.

Important Data

Net capacity (in l)	357
Net freezing capacity (in l)	129
Net cooling area capacity (in l)	228
Noise emission (in dB)	39 (C)
Energy efficiency class	E
Energy consumption (kWh/ year)	260
Climate class	SN-T
Lamp type	LED
Colour	Dark inox
Stars freezer	4
Freezing capacity (kg/24 h)	6
Storage time in case of power failure (in h)	12
Door hinge changeable	Yes
Unit dimensions (H x W x D in cm)	180,2 x 65,4 x 71,5
Packing dimensions (H x W x D in cm)	189,4 x 72,2x 77,8
Nett weight / gross weight (in kg)	73 / 80
Container quantity 40HC	66
Stacking limit	3
GTIN-Code	4008146035692
