EAN code	8717371448783

The Neomounts Select WL35S-850BL12 is a tiltable wall mount for flat screens up to 55" with a maximum weight capacity of 50 kg. The versatile tilt (12°) technology allows you to create the optimum viewing angle. Height and level adjustment is available for the perfect installation.

The WL35S-850BL12 has a depth of 3,5 cm and is suitable for screens that meet VESA hole pattern 75x75 to 200x200mm. It is possible to lock the wall mount using the included anti-theft screw or a padlock (not included).

The mount features a nifty magnetic pull & release system, that allows you to attach the TV in a wink of an eye and secure the TV in safe and solid manner. Afterwards, the pull & release straps can be easily hidden behind the screen by clicking the magnet to the mount. A separate spirit level tool is included with the wall mount, as well as a fixing template, to ensure easy installation of the mount.

*Please note: The inch sizes stated are just an indication, combined with the weight and VESA sizes. The maximum weight and VESA size are absolute restrictions for the products and should not be exceeded.
