

Ceiling lamp

PEGASUS – R62421100

incl. 1x SMD LED, 12W · 1x 1160lm, 3000K

- **Starlight effect**
- **Wall- & ceiling mounting**
- **IP20**

The PEGASUS ceiling light provides good, even illumination in your room. The glitter effect on the lampshade gives the Pegasus ceiling light that certain something. The diameter is 28cm. The PEGASUS luminaire made of white acrylic is contrasted by the stylishly polished white edge, which gives the luminaire an elegant and high-quality character. Small stones on the top create an atmospheric lighting ambience. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
