

CONNECT 5t**Work wherever works**

Technology for
life's new rhythm

**BETTER VIRTUAL MEETINGS FROM HOME**

Our engineers spent a long time getting the internal positioning of the six microphones exactly right. The external mics are active all the time, and with extra bonus mics giving your voice a helping hand when it's windy, you can even take your 'office' outside on sunny days. **Wherever you're working, you'll always sound like you know your stuff.**

HYBRID ACTIVE NOISE CANCELLATION (ANC)

Hybrid ANC uses feedback microphones on the inside of your ear, and feedforward microphones on the outside. This means your buds are less sensitive to how you position them in your ear, and they can reliably suppress a much wider range of noises, both on work calls and when listening to audio. **Drown out the dishwasher (or whatever else is distracting you).**

6MM SPEAKERS

Whatever genre of music you prefer to work to, it'll sound amazing on our 6mm speakers. We've also added SBC, AAC and Qualcomm® aptX™ codecs to enhance your music quality. **Industrial techno, obscure jazz, or all-out heavy metal – we've got all bases covered.**

SMART CONNECTIVITY OPTIONS

Bluetooth Multipoint connection lets you stay connected to two devices, like a laptop and a smartphone, at the same time. And if you're an Android or Windows user, Google Fast Pair and Microsoft Swift Pair will have you connected in seconds. **Breeze through your work day.**

HANDS-FREE VOICE ASSISTANTS

Get help from your preferred voice assistant with just your voice, and access all the virtual help you need while you work. Call colleagues, schedule reminders, or get directions, without taking your hands off the keyboard. **It's like having your own PA.**

28 HOURS BATTERY & WIRELESS CHARGING PAD

Get up to 7 hours in the buds, with up to a total of 28 hours with the Qi-certified wireless charging case and pad, perfect for all-day calls. Our fast charge feature gives you an hour of power in ten minutes, and you can stretch your battery out even further by using one bud while the other charges. **Back-to-back-call-worthy battery.**

HOW TO CHARGE

HOW TO PAIR

Push the buttons on both earbuds for 3 seconds, then go to the Bluetooth menu of your phone to connect your earbuds, or with Google Fast Pair, your Android phone will instantly ask to connect to your buds if nearby.

HOW TO USE - CALLS

LEFT

- [Phone icon] [Microphone icon] [Mute icon] Push x1
- [Phone icon] [Microphone icon] Push x2
- [Speaker icon] Hold

RIGHT

- [Phone icon] [Microphone icon] [Mute icon] Push x1
- [Phone icon] [Microphone icon] Push x2
- [Speaker icon] Hold

HOW TO USE - MUSIC

LEFT

- (ANC, HearThrough) [ANC icon] [HearThrough icon] Push x1
- (Voice assistance or Spotify Tap)* [Voice icon] [Spotify icon] Push x2
- [Speaker icon] Hold

RIGHT

- [Play/Pause icon] Push x1 [Volume icon] Hold
- [Next icon] Push x2
- [Previous icon] Push x3

Tap both buttons simultaneously to power off. Press any button to power on. See the User Manual for button functionality when using either earbud.

FEATURES	BENEFITS
Audio	Hybrid ANC
	Combining feedforward and feedback ANC through internal and external microphones to block out more noise
	Adjustable HearThrough
	Lets you hear the outside world without removing your earbuds
	SBC, AAC and Qualcomm® aptX™
	Audio codecs for enhanced music quality
Connectivity	Spotify Tap playback
	Instant access to music
	Customizable EQ
	Hear your music your way with the customizable equalizer, available in the Jabra Sound+ app
Ease of use	6-microphone technology
	For crystal clear calls
	Bluetooth Multipoint
	Stay connected to two devices at the same time
	Bluetooth 5.2
	No audio dropouts or interruptions
Design & comfort	Device Pairing
	Pair up to 6 devices
	Use either earbud
	Always have one bud ready when the other one is charging
	Rechargeable battery
	Up to 7 hours battery in the buds (ANC on), and up to 28 hours with the case
Durability	Wireless charging
	Compatible with Qi-enabled wireless charging pads (wireless charging pad included)
	Fast charge
	10 minutes of charge gets you up to 1 hour of battery
App	Google Fast Pair
	Pair to your mobile device in an instant. Works with Android OS 6.0 or higher
	Microsoft Swift Pair
	Pair to your PC, laptop or tablet in an instant. Works with Windows 10.0 or higher
	Voice Assistance
	Alexa Built-in, Siri® and Google Assistant (Android only)
	MyControls
	Configure your button functions with MyControls, available in the Jabra Sound+ app
	Closed earbud design
	Designed to achieve a sealed fit that helps with noise isolation
	Accessories
	3 pairs of round silicon EarGels™ (S, M, L), a charging case, a USB-A to USB-C cable, and wireless charging pad
	IP55-rated earbuds
	Earbuds protected from dust and water and made from premium, durable materials with a 2-year warranty**
	Jabra Sound+
	Access customizable EQ, Find my Jabra and firmware updates

*Spotify Tap playback / Voice assistant button can be re-configured in the Jabra Sound+ app
**Against failure from dust and water with Jabra Sound+ app registration
