HOSTEL - elegant and cosy. Lights with a fabric shade create a pleasant living ambience. They create a cosy atmosphere and provide soft, gentle light. The HOSTEL ceiling light conveys cosiness and a touch of elegance thanks to its modern colour scheme. The two-light luminaire has a diameter of 30 cm and is therefore ideal for lighting living rooms and bedrooms. The colour combination of black meets gold looks elegant and sophisticated and is a special eye-catcher with a great lighting effect. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
