On-Demand Parking Mode

- On-Demand Parking Mode gives you control when you need it. The included 12V Hardwire kit lets you activate and customize right from the Dash Cam.*
- No additional accessories required. With peace of mind, connect, set and go.

*(Not supported for use in 24V vehicles)

2.5K 1440P HDR recording at 30 fps

- With 2.5K 1440P HDR recording mode your dash cam captures all the necessary details of your journey.
- With a wide-angle lens, you can be sure that no part of your journey is left unrecorded.
