Wall lamp

ROCCO – 283919006

incl. 1x SMD LED, 13W · 1x 1400lm, 3000K

- **Up and Down lighting**
- **Wallmounting**
- **IP44**

Thanks to its purist design and clear design language, the ROCCO light takes centre stage. The up and down lighting creates a very special lighting mood in your bathroom - especially when you want to relax and switch off in the bath in the evening. The light creates a cosy atmosphere and is protected against splashing water thanks to its IP44 protection rating. The rather discreet and tasteful exterior in chrome sets attractive accents on walls and integrates effortlessly with the rest of the furniture. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.
